We know that prayers for Encounters have been answered. Thank you for praying. We praise God for:-

- Dynamic Christian Union Leaders at Reigate College. Pray they will know God's wisdom in running the group
- A new student led Upper School CU at St Bede's, pray for the student leading it and that the group will grow and have an effect on the school
- Recent donations which will enable us to continue the work of Encounters and pray that God's provision continues

Pray that God will lead the young people to attend CU or Alpha.

Dave Roper the Holy Trinity rep on the Committee has stood down as his current circumstances mean he is unable to offer the time he feels the role deserves. We thank Dave for all his help and his commitment to Encounters over many years, and wish him well for the future. A new Holy Trinity rep is yet to be appointed.

Please take this opportunity to pray for the church representatives and the committee members as they give their time and energy helping to manage the schools work, keeping the churches informed and supporting Yvette, Isobel and the volunteers.

Please Pray for:

- For a potential new group starting after school in a local Primary School. Pray for the right volunteers to ocme along and commit to helping with the group
- More people will encouraged to think about volunteering with Encounters
